

TRUSTEES' MEETING

ARRANGE FOR ENTERTAINMENT OF GOVERNOR STEPHENS TOMORROW NIGHT

The Board of Trustees met in regular session at the City Hall at 8:00 p. m. December 6, 1917.

The minutes of the last regular meeting were read and approved.

A petition was presented signed by Lillian J. Empey and several other property owners on Milford street between Columbus and Pacific avenues, protesting against the acceptance of the street work just completed on that street, on the ground that the work is below the standard of that done on any of the parallel streets. Several of the property owners were present and were heard in regard to the matter, after which, on motion of Trustee Muhleman, the petition was ordered to be received and filed.

A communication was read from Mr. A. T. Cowan giving notice that with the issue of Friday, December 7th, the name of the weekly newspaper known as the Tri-City Progress will be changed to Glendale Sentinel-Progress. On motion of Trustee Grist, the communication was referred to the City Attorney with a request to bring in a resolution in regard to the same.

Reports were received and read from the Building Inspector for the month of November and from the Tax Collector for the week; the same were ordered to be received and filed.

Demands were presented and referred to the Finance Committee.

The Chairman called the attention of the Board to the fact that Governor Stephens is to be in Glendale Saturday evening next, where he will speak at the High School under the auspices of the Red Cross association.

On motion of Trustee Jackson, it was ordered that the members of the Board of Trustees, the City Attorney and the City Manager constitute a committee to arrange for his entertainment, while in the city.

On motion of Trustee Woodberry, the matter of hearing of the protest on Grand View avenue, was taken up at this time, and on motion of Trustee Muhleman, the hearing was continued for one week.

The City Manager called attention to delinquent taxes on Lot "A", Tract 1026, Piedmont Park; the city having received a deed to the property. On motion of Trustee Muhleman, it was ordered that the taxes be canceled.

The City Manager presented an ordinance providing for the creation of a Welfare Bureau.

On motion "An Ordinance providing for the organization of the Welfare Bureau of the City of Glendale, creating the office of Director thereof; authorizing the appropriation of funds for welfare work, and providing for the organization of Glendale Welfare Council," was taken up for first reading.

On motion, this ordinance was declared read for the first time and was taken up for the second reading.

On motion, this ordinance was declared read for the second time and was laid over till the next regular meeting for the third and final reading.

Trustee Woodberry made a motion which was adopted, that when the Board adjourn, it be to meet Tuesday evening, December 11th next at 7 o'clock p. m.

The City Attorney reported that the interlocutory decree in the opening and widening of Broadway had been filed, but not yet entered.

The Manager of the Public Service Department presented a written report on the valuation of the gas distributing system, which, on motion of Trustee Grist, was received and referred to the Committee of the Whole.

The ordinance changing the name of Penn street was taken up at this time.

On motion, Ordinance Number 318, "An Ordinance of the Board of Trustees of the City of Glendale changing the name of a portion of Penn street in said City," was taken up for third and final reading, and upon being read, was on motion of Trustee Grist, adopted.

On motion, Ordinance Number 319, "An Ordinance of the City of Glendale approving the consolidation of the City of Tropic with the City of Glendale," was taken up for third and final reading, and upon being read, was on motion of Trustee Muhleman, adopted.

The demands were reported back approved by the Finance committee. At ten o'clock a recess of thirty minutes was taken, and the City Clerk excused for the evening.

When the board reconvened with all members present, Trustee Woodberry was appointed Clerk Pro-tem. (Continued on Page 2)

RECEPTION FOR NURSES

GLENDALE SANITARIUM ENTERTAINS FOR FRESHMAN TRAINING CLASS

The Glendale Sanitarium tendered a reception last night to its freshman class of nurses. Gathered in the large dining room, from which tables had been removed, the members of the class and their friends spent an enjoyable evening listening to various musical selections and speeches, playing games, and partaking of the refreshments.

Dr. H. F. Rand, medical superintendent of the institution, and Dr. W. J. Johnson, emphasized the importance of exercising the Christian graces. Particularly it is necessary that missionary nurses be patient, gentle and kind, no matter how trying their work, they said.

Elder E. E. Andross, president of the Pacific Union Conference, and also chairman of the managing board of the Glendale Sanitarium, spoke briefly in appreciation of the institution and the work the physicians and nurses are doing. Miss Luella Evans welcomed the freshmen on behalf of the senior class. Mrs. T. E. Volkers gave an original poem, in which, as a representative of the junior class, she counseled the new-comers about their work, and related some interesting experiences, and R. G. Curtis, speaking for the freshmen, pledged the class to a sincere effort to meet the high ideals placed before it.

Miss Susine Wessels, whose splendid violin solos are always so much appreciated, rendered two selections, being accompanied on the piano by Miss Mildred Pray. Misses Vivian and Ernestine Volkers rendered upon the piano the duet, "Monastery Bells," which was well received. The Glendale Sanitarium Band under the leadership of C. H. Jones, gave several numbers, including "West Point Cadets," "On Duty," "Summer Breezes," and the "Star Spangled Banner."

TRIBUTE TO REV. T. F. MCCREA

The special meeting called by J. H. Braly, chairman of the Glendale Chapter of the Red Cross, was held at his home, 205 North Brand boulevard, Glendale, Thursday evening, drew a representative attendance. Members who have been prominently identified with the work in this city welcomed the opportunity to have a last word with Rev. T. F. McCrea, First Vice President, who left Glendale this morning for Camp Kearny to carry on religious secretarial work for the Y. M. C. A. there.

There were a few business matters of minor importance which were disposed of and then Mrs. Mabel Franklin Ocker, secretary of the Glendale Chapter, presented Mr. McCrea with a handsome wrist watch, in testimony of the appreciation of officers and Board of Directors, of the splendid work he has done for the chapter as a loyal member and booster. Mrs. Ocker's brief speech of presentation fittingly expressed the feelings of personal regard of his fellow officers for Mr. McCrea, and the loss the chapter will sustain in his departure. It was a very sincere tribute, and Mr. McCrea was deeply moved when he feelingly responded and referred to his pleasant associations with the Chapter. Mr. McCrea's wife and mother were present and clasped the watch upon his wrist. Later, tea was served and members had an opportunity to say goodbye and wish Mr. McCrea Godspeed in his new field.

MASONIC BENEFIT DANCE

The third annual relief benefit program and dance held by the local Masons was given Thursday evening at the Masonic hall and was a splendid success. The program was just as announced on Wednesday in the Glendale Evening News with the exception of the substitution of a monologue by Mr. Otto Nederrer in place of the one Theodore Roberts was to have given. The proceeds of the evening will be devoted to local charities, though possibly some part of it will go to the soldier boys as the lodge is planning a broadening of its good work to include the boys who are giving themselves to their country. About \$75 was cleared on this occasion. The excellent program, which was received with much enthusiasm by the audience, was followed by dancing on a fine floor with a good orchestra. Snelly's orchestra of four pieces furnished the best of music and the evening was greatly enjoyed by everyone. Beautiful decorations of potted palms, trees, ferns and other plants were donated by F. McG. Kelley and Frank Webster of Tropic.

WEATHER FORECAST—Fair and colder tonight and Saturday. Heavy frosts. Northerly winds.

TERRIBLE SUFFERING AT HALIFAX

ESTIMATES BELIEVED TO BE LOW PLACE NUMBER OF DEAD AT TWO THOUSAND FIVE HUNDRED

(Special Service to Glendale Evening News)
HALIFAX, December 7.—The appalling death toll here as a result of the explosion of the French munitions ship, Mont Blanc, when it rammed the Belgian relief ship Imo, is steadily increasing with the work of rescue progressing slowly.

Conservative estimates of city officials this morning placed the number of dead at 2500.

"Freezing cold and a heavy snow have added to the suffering of the wounded and shelterless in the blasted city. Fires believed to have been extinguished have broken out again. No reliable account of the dead is possible. Twenty-five hundred is a low estimate is the belief of those who are working among the corpses now frozen stiff in grotesque and horrible attitudes of death agony. Many of the injured are dying.

The police are attempting to round up the lost children who are wandering in the appalling wilderness of the blasted city crying for their mothers.

Even worse conditions have turned North Dartmouth across the bay into a place of death and suffering.

TWO THOUSAND PERISH IN FRUITLESS ATTEMPT TO BREAK THE BRITISH LINES

(Special Service to Glendale Evening News)
WITH THE BRITISH ARMIES AFIELD, December 7.—At least 2000 Germans perished in two violent and fruitless attempts to break the British lines around Vial wood. Three hundred seventy-five thousand massed troops stormed the British entrenchments but were rolled back under a deluge of fire.

Almost immediately after the first assault, a second attack wave formed and charged forward. Caught in the British artillery storm, they were completely wiped out.

WAR ON AUSTRIA-HUNGARY

RESOLUTION PASSED SENATE UNANIMOUSLY—SAME RESULT EXPECTED IN THE HOUSE

(Special Service to Glendale Evening News)
WASHINGTON, December 7.—The Senate this afternoon unanimously passed the resolution declaring a state of war existing against Austria-Hungary. It was certain late this afternoon that the House would take the same action.

Senator LaFollette absented himself during the vote on the resolution.

The vote was taken following stirring war speeches by Senators Stone, Lodge and Hitchcock. The latter said the German menace is greater today than when the United States declared war.

RUMANIANS JOIN IN ARMISTICE

CO-OPERATE WITH RUSSIAN ALLIES IN SEEKING TO STOP HOSTILITIES WITH GERMANY

(Special Service to Glendale Evening News)
PARIS, December 7.—Some Rumanian troops are joining the Russians in armistice negotiations with the Germans, it was officially announced today. On the front held by the Russians who are co-operating with Rumanian troops it was decided that the Rumanians should be associated with their allies in the armistice. Hostilities have been stopped completely on all fronts.

AIRMEN WOUNDED IN FRANCE

WAR DEPARTMENT ANNOUNCES CASUALTIES AMONG AMERICAN FLIERS ON WESTERN FRONT

(Special Service to Glendale Evening News)
WASHINGTON, December 7.—Two American airmen were wounded while in service in France, the War Department announced today. They are: Corporal Walter A. Warren of Dublin, Ga., slightly wounded, and Private Edwin F. Ebsen of Buffalo, Mo., seriously wounded.

TROPICO THURSDAY CLUB

"Prison Camps" was the theme of an excellent paper presented before the Tropico Thursday Afternoon club by Mrs. Merritt Ludden at a well attended meeting this week, held at the home of Mrs. Edwin Virden, on Vira Loma avenue. It is a subject in which she is deeply interested and her paper was very enlightening.

Mrs. W. F. Ludlum sang "The Sea Hath Its Pearls," and an encore number, Mrs. Edgar Fry furnishing the piano accompaniment.

A few items of business were transacted and the club voted to bestow upon the Red Cross auxiliary the unused burlap left from the club hangings, to be manufactured in sofa pillows and table runners for the

fancy work booth of the Red Cross bazaar. It also gave the handsome vase which it received as a premium for the best decorated booth at the Playground Carnival last summer.

There was considerable discussion about the White Elephant booth in the bazaar, for which the club has undertaken to be responsible. Mrs. E. F. Tholen was made chairman of the committee to work for that booth and Mesdames Leign Bancroft, Francis Moore, L. E. Richardson, Edwin Virden and Miss Ida Myers were appointed to assist her.

The next club gathering will be the annual Christmas party for the children of club members, which will be held at the home of Mrs. L. E. Richardson.

JUNIOR PLAY AT H. S.

INITIAL DRAMATIC EVENT OF THE SEASON GIVEN WITH MARKED SUCCESS

The first dramatic event of this year was staged at the High School Thursday morning when the Junior Class presented the play, "Betty's Ancestors." It was a charming little one-act play with lots of laughs, the kind that appeals to the young people especially.

The auditorium was crowded with the students and the relatives and friends of the young actors and actresses and so the financial side of it was more than satisfactory. Previous to the presentation of the play the G. U. H. S. Band gave several enthusiastic numbers. This is only the second year that the High School has had a band and the boys certainly deserve credit for the splendid music and good spirit in volunteering their aid in making the occasion such a successful one.

The auditorium was darkened so as to better show up the artistic lighting effects. The stage was arranged to represent a room in an old house where historic relics were exhibited. Miss Terry is to be congratulated on the success of the performance as it was through her efforts that the play was given.

The cast includes:

Betty Winslow, the last of the high house of Winslow, Marcello Miller Deborah Weston, whom, with everything else she possesses, Betty has inherited Mildred McKee James O'Mara, of Texas Don Wieman The Spayde Sisters, Ella and Bella, Eva and Imogen, sight-seers Cecelia Lyon, Ruth Lathrope, Lucile Nicholas, Ivy Mills, Edna Van Batam.
Mrs. Austin C. Wellington, who doesn't care for relics
Geneva Martin
Miss Elvira J. Moore, who knows what she wants
Cora Louise Butterfield
Mrs. Freddie Hitchens, a very modern product
Gladys Nofziger
Mrs. Hitchens Mother, who would rather sleep
Mable Munyun
Great-great-aunt Letitia, a beauty of colonial days

GLENDALE-POMONA

This evening at the Union High School at 8 o'clock, Glendale High School will meet Pomona High School in a debate. The question to be discussed is: Resolved, That the United States Government should take over the actual operation of all the coal mines within its borders during the period of the war. Glendale will have the negative and will be represented by Myron Powers and Berna Martin.

Harlan Durand and Frank Balthis will discuss the affirmative side of the same question at the Lincoln High School this evening in Los Angeles.

MISSIONARY WORKERS CONFER

The regular monthly meeting of the Woman's Home and Foreign Missionary Society of the First Methodist church was held at the church yesterday afternoon and proved to be a very profitable afternoon. This meeting was an allied conference of the different auxiliaries of Glendale and plans and views for the coming year's work were exchanged. The meeting was helpful and inspiring. The women engaged in Missionary work feel that the program for the coming year must be the biggest ever undertaken.

Little Miss Lavina Thede, a pupil of Miss Susine Wessels, played a violin solo and responded to an encore. Her interpretations elicited the admiration of all who heard her and many were the predictions that Glendale would hear from this young lady in the future.

LITTLE FOLKS GIVE RECITAL

Mrs. Grace Jackson of 1565 Patterson avenue is giving a piano recital of her youngest class of pupils this afternoon at the home of Mr. and Mrs. Harry L. Howe, 1564 Burdett street, Glendale. These well-trained small people range in age from five to nine years and greatly delight their grown-up hearers with their musical accomplishments. The names of the performers in today's concert are: Raymond Hall, Jack Southard, Virginia Giulii, Carroll Toll, Mary Elizabeth Campbell, Florence Jones, Ruth Clausen, Milford Jackson, Hazel Spillsbury, and Edith Howe.

VETERANS CELEBRATE

HONOR CHARLES BOCK ON HIS EIGHTY-NINTH BIRTHDAY ANNIVERSARY

An unusually happy birthday occasion was celebrated on Thursday afternoon, December 6, when Charles Bock, one of the most loved members of the N. P. Banks post, was surprised by a number of the comrades at his home, 1521 West Vine street. Mr. Bock was 89 years of age and the ages of the eleven comrades gathered together aggregated 874 years, and averaged 74 years. A delightful and impromptu program was given with music on the graphophone and talks by the comrades. The afternoon furnished so much pleasure to all that it was informally decided to meet at the homes of each of the comrades on the occasions of their various birthdays. The matter will be formally taken up at the next regular meeting of the post. Delicious refreshments of coffee and the finest of home made cake were served. Mrs. Norton, wife of Rev. R. E. Norton, was the only woman present. The comrades present were: Messrs. Charles Bock, J. B. Hickman, A. H. Guernsey, J. L. Denny, Thos. Gillett, T. M. Barrett, R. D. Goss, Harmon, C. R. Norton, John Sauer and J. J. Weiler.

PIONEER RETURNS

Mrs. Dwight Griswold came up from San Diego Tuesday and has been visiting old friends in Tropic. She was one of the pioneers of this part of the valley, as her father, George F. Dutton, was the first postmaster of Glendale and established its first general store at the corner of Third and Glendale avenue. That was in 1887 before there was either an electric or a steam railway in Glendale.

Mr. and Mrs. Griswold are now living on their grain ranch near Escondido and they are very well satisfied with farm life although conditions are necessarily primitive as compared with suburban advantages. She reports that farmers in their locality are prospering. Mr. Griswold has 100 acres of grain, chiefly barley. While it is "dry farming" portions of his land are sub-irrigated from water which rises to within a few feet of the surface. On these lands he can raise corn, root crops and other crops that otherwise would be out of the question. Alfalfa also thrives and he is planning to increase his acreage. He has cut five crops this year. This sub-irrigated land is not all in one body but is distributed in oases of a few acres.

COLORADO BOULEVARD P-T. A.

The Colorado Boulevard P-T. A. held a short business session Thursday, December 6, promptly at 3:15. The relief committee reported a large supply of clothing and food for the needy. After the report of the picture machine committee, it was decided to purchase the larger machine and it was decided to give an entertainment some time in January, jointly with the Broadway school.

We then proceeded to the High School, where Miss Gantz, domestic science instructor, gave us a most instructive talk on food conservation, telling how they instruct the girls along that line. She gave reasons why we should conserve our wheat and sugar, giving substitutes for same, along with their food values. Several recipes were handed out, with samples of same, which were most palatable. At the close all gave Miss Gantz a rising vote of thanks.

SLOW RECOVERY

Mrs. Charles Wallace Kimberly is recuperating slowly from the nervous shock and physical injuries sustained in the elevator accident of which she was a victim several weeks ago. She is still unable to use her eyes for reading or any work which requires concentration of vision, but is able to sit up and be taken for airing in a wheeled chair. She is beginning to feel more like herself and appears to be on the road to permanent recovery.

GOOD For Another 24 Years After 24 Years Service

Says R. P. Bell

"In April 1893 I bought one Aluminum 4 qt. Coffee pot and one 2 qt. handled stew pan which have been in constant use three times each day since and are to all appearance good for another 24 years.
"I remember I paid \$6.50 for the two; this figures 27 cents per annum for the use of the two pieces and if I should live so long I don't think it would make a cost of over 13 cents which I believe is economy."
Yours respectfully,
R. P. BELL, Lowder, Ill.

TRUSTEES' MEETING

(Continued from Page One)

The Committee of the Whole reported in regard to the Gas question, recommending that a mass meeting of citizens be called for the discussion and consideration of the subject, and on motion of Trustee Muhleman, it was ordered that a report of the expert upon the gas plant be taken up at the regular meeting of December 13th next, and that the public be invited to attend and participate in the discussion.

The City Attorney reported in connection with the communication heretofore received by the Board from Miss Marr, covering the abandonment of certain alleys and streets in Tract No. 250, that while it appears apparent from the nature of the communication that it was not intended to be a protest, he would recommend that a hearing be fixed in the matter, and that Miss Marr be notified of the hearing by the clerk as provided by law. On motion of Trustee Grist, it was ordered that the time for the hearing be fixed for Thursday, December 13th at 10:30 p. m.

Trustee Grist offered a resolution, which was read, and when read was adopted, that the Board of Trustees of the City of Tropic be invited to a joint consideration of a number of subjects, the following being particularly named:

1. Auditing books and accounts of the City of Tropic.

2. Inventory of property of the City of Tropic.

3. Policies affecting improvements to which the Tropic Board of Trustees have been committed.

4. Obligations of the City of Tropic in connection with (a) Moving of Southern Pacific signal tower, (b) Construction of Ivanhoe bridge, (c) Repairing of a portion of Brand boulevard at crossing of Southern Pacific tracks.

5. Ordinance especially affecting Tropic district (a) Ordinances of City of Tropic repealed by consolidation, which especially affect the Tropic district and should be reenacted by the City of Glendale. (b) Ordinances of the City of Glendale, which should be amended to cover Tropic district; such as traffic and building ordinances, etc.

Formalities in taking over government of Tropic.

The chairman recommended that the City Manager be instructed to request the Police Department to register all alien enemy residents of the City of Glendale, and that the National Council of Defense be notified of this action.

On motion of Trustee Grist, the recommendation was adopted.

On Wednesday Mrs. Aykroid, of the Aykroid apartments, 1017 1/2 West Broadway, entertained her mother, Mrs. Prindle, of Los Angeles and Mrs. Purnell, also of Los Angeles, for luncheon and the day.

Mrs. Salo Deskey, formerly of Glendale, who has been so very ill for some time, is improving very nicely now and has moved from her earlier address in Los Angeles to 2002 Sunset boulevard, where she expects to remain through the winter.

Mrs. H. J. Bender, of 800 Cameron Place, entertained her aunt, Mrs. Martha Hougham, formerly of San Diego, over the week end. Mrs. Hougham has recently come to Redondo Beach where she is making her home for the present.

Corporal Harvey Fishel came up from San Diego to spend a 24-hours' leave with his parents and friends in Tropic. He returned Thursday. He is looking fine and reports that the boys expect to have leave to come home at Christmas time.

Friends of Bill Dixon, a Tropic boy, who is in the marine service, report that when he last wrote them he was in the hospital recuperating from quite a severe operation. At that time he expected his ship would be ordered to China.

Miss Cory, daughter of Rev. B. C. Cory, pastor of the Tropic Methodist church, came up from San Diego and spent Sunday with her parents here. Mrs. Cory accompanied her daughter when she returned Monday to San Diego where she has a position as librarian.

Thursday afternoon Mrs. Hattie Tiffany, secretary of the Tropic Red Cross auxiliary, delivered to the Los Angeles chapter, 17 pairs of socks, 11 scarfs, 14 pairs of wristlets, and 6 sweaters, knitted by industrious members in addition to outfitting a number of Tropic boys who have been called.

Little Miss Joy Willisford, daughter of Rev. and Mrs. E. H. Willisford, 231 South Orange street, has finally regained her health after her long and severe illness of the summer sufficiently to be able to be back in school. She was greeted with great pleasure by her school mates on her first appearance among them on Wednesday.

Maurice M. Braden, a former Glendale High School boy and son of Mrs. Callie C. Braden, 1304 Arden avenue, has been quite seriously ill for the past three weeks at Davis, California, where he has been attending the University of California Agricultural college. His mother received word on Wednesday that he was improving and plans to have him brought home as soon as he is strong enough to be moved.

Very interesting letters are being received from Joseph Palmer, of Tropic, now at Camp Kearny, by some of his Tropic friends. He went forward with the last lot examined by the Exemption Board, and so has not been in training long. He asked to have his thanks conveyed to the Red Cross auxiliary for his comfort bay which he "certainly appreciates" further declaring that he will carry it to the last trench unless it is stolen from him.

Mrs. Minnette Sherman and daughters Dorothy and Marjorie, entertained informally on Wednesday evening, a group of nature lovers. Miss Helen White, teacher of Agriculture in the Intermediate School; Miss Green, Biology teacher in the High School; Miss Saxton, a teacher of the Central avenue school; Mrs. Harry Duey and son, Harold, and Harold Sims, a young Englishman who is recuperating his health in Glendale and adding to his collection of moths and butterflies which he has gathered from various foreign countries.

Mrs. H. D. Thaxter, 1542 Riverdale was supering from a severe attack of ptomaine poisoning Wednesday.

Mrs. C. R. Norton, of 373 W. Third street, is the guest of Mrs. Ernest Norton in Los Angeles today and will remain in the city over night with her son, Will Norton and wife.

The West Glendale Sunday School will be entertained this evening with an indoor picnic at the church, which promises to provide a very happy evening for all the young guests.

The Red Cross wishes contributions of poinsettias and other red flowers and greenery for the Red Cross bazaar to be held on Friday, December 14th, at the Elks' club. Those wishing to make such donations are requested to bring them to the hall on Thursday.

Mr. and Mrs. J. J. Freeman, of West Fifth street, have moved to Los Angeles, where they have purchased a home. They have lived in Glendale for many years but as Mr. Freeman is a druggist in the Angel City, it is more convenient for him to establish their residence there. They will be missed in Glendale where they have a large circle of friends.

The magazines contributed for the boys of the Coast Artillery and left at the Glendale library have all been arranged in the order of their date by the library staff and tied in packages. Now they are waiting for some philanthropically inclined person to take them to the boys. No doubt there are many automobile owners who will be glad to perform this slight service for the boys of Co. 9, who are anxious for this reading material.

Hear Madame Katharine Shank at Pacific Avenue School next Saturday evening. A splendid program by the school and numbers by the Junior Orchestra under Miss Wetherby, leader of music in the Intermediate school. Mrs. Shank is a resident of Glendale, though having her studio in Los Angeles, and has always been most generous in her help and interest in P.-T. A. affairs. No charge for admittance.

The prosaic precincts of a bicycle repair shop and sales room, would not be conducive, one would think, to a decorative spirit. If you have such an idea you will change your mind when you see that Christmas window at Smith's cyclery, 710 W. Broadway. Amid a profusion of mistletoe and holly are scattered parts of bicycles in profusion and three beautiful wheels complete add to the view. "September Morn" hiding amid the holly to escape the impudent stares of Mutt and Jeff add a touch of waggery which is complimentary to the ingenuity of the designer. Go look at this admirable display and also note the Smith's Cyclery ad in this issue.

NOURISHMENT FOR THE INNER MAN

"Something different, but just as good," seems to be the motto of the patriotic ladies in charge of the Saturday food and lunch sale at the Red Cross headquarters next to the post office. Vegetable and cream of oyster plant soup (two kinds), meat loaf, macaroni and cheese, hot biscuits, sandwiches, coffee, tea, cakes, pie and hot gingerbread are some of the appetizing dishes promised for tomorrow. These food sales are becoming very popular and are bringing good returns for the Red Cross. Do your bit by patronizing them. Lunch starts at 11 o'clock.

HEAR MADAME KATHARINE SHANK SING

There is going to be a big time at the Pacific Avenue school Saturday evening, December 8th, at the Pacific Ave. P.-T. A. bazaar. The children's program begins at 7:30 sharp. Come and hear the little ones. Bring your purse and do your Christmas shopping. Everything for sale from handkerchiefs to good things to eat. Be patriotic and do your share toward improving the conditions of our school children who mean so much to the world in the future. The Junior orchestra under the direction of Miss Wetherby, will assist in entertaining. 82t1

YEOMEN FESTIVITIES

Tropic Yeomen will have their next dance Friday evening, December 14 and hereafter they will give them twice a month, viz., the second and fourth Fridays, in their hall on San Fernando road.

A new decoration for the hall is a service flag bearing the names of two members who are in the service of Uncle Sam, Ed Moniot and Leverett Goddard.

Mrs. Jessie Cooksey of the Bungalow studio, Lomita and Brand boulevard, has had some flattering offers of positions in large establishments in Los Angeles which she was tempted to accept, but so many holiday orders have come to her from patrons who have learned to appreciate the quality of her work, she has decided to resist all enticements to leave Glendale.

The sale of the Nelson G. Burch place on Cerritos avenue, Tropic, to Clyde Seal, is reported. Mr. and Mrs. Morgan, the tenants, have been asked to vacate.

DR. JULIA SETON
 Will speak on "The New Story of Health," at Masonic Temple Sunday morning.
 An unusual message will be given the public at the Masonic Temple, Sunday morning at 11 o'clock. Dr. Julia Seton, of New York, is in Los Angeles while preparing for her trip to India, Australia, and other foreign countries.
 Dr. Seton has the degree of Doctor of Medicine, is a writer of special prominence and has made a special study along the lines of advanced thought. Her teachings are based upon science, psychology, philosophy, and religion—teaching men to live life as an art. When rightly understood they mean simply the correct relationship of body, mind, soul and spirit to the seen and unseen actions of life and a natural relationship with life's finer forces through knowledge of universal laws. They teach God as a spirit and worship him in spirit and in truth.
 Dr. Seton teaches the leadership of principles, and not personalities. Personalities change but principles endure. Her personality as well as her message is full of power, of helpfulness and of interest to everyone.
 Dr. Seton spoke to a packed audience at the Strand Theatre last Sunday afternoon. Glendale is fortunate in securing a speaker of her ability and of such wide reputation.

The regular meeting of the Y. P. B. will be held on Saturday evening at the home of the Misses Emma and Helen Esterly, 800 South Adams street. There will be a good musical program and the work of the evening will be the making of hospital bandages. These meetings are open to all young people of Glendale and workers who are willing to contribute their time in this very valuable service are exceedingly welcome. The girls always enjoy their evenings even as they work and new members and visitors are always hoped for and are cordially received.

DR. WILLISFORD GOES TO Y. M. C. A. WAR WORK

At a business meeting of the First Congregational church held Wednesday evening the pastor, Dr. E. H. Willisford, was granted a leave of absence for the month of January in order that he might go to Chicago or one of the war camp schools for a course in special training for Y. M. C. A. war camp service.

Mr. Willisford was also granted additional leave of absence for six months from the first of February or as soon thereafter as he may receive his assignment for service.

Dr. Willisford has always been

actively interested in the work of the Y. M. C. A. His work in the recent financial campaign was most successful. His territory, the Santa Monica district, subscribed almost twice the sum assigned to it. Had it not been for this canvass he would have been at Chicago at this time. On entering the service Mr. Willisford will be assigned as religious secretary or an executive secretary to one of the cantonments in this country and later probably to "overseas" work.

In reply to the question, "Are you willing to go to France?" Mr. Willisford replied, "Most certainly, yes, or even to Russia, if that is the place of

greatest need. When I first took up this matter with the International Y. M. C. A. in New York I asked to be sent 'overseas.' It is not a sacrifice but a great privilege to go. I feel that I can give the country my best service in this line of work."

Today only men of experience in camp work are being sent abroad.

All lines of the local church work will be carried on during Dr. Willisford's absence. The pastor will be here till about January 1. A committee has been named to secure an acting pastor during Dr. Willisford's absence.

"Heap Big Mileage" results in much praise from the members of the Savage "Tribe." We are proud of having received hundreds of letters like the following:

12,400 miles and going strong.

"Have driven to date 12,401 miles, and by the looks of the casing it should go 5,000 miles yet. It is a Savage."—A. J. Kellogg, Los Angeles.

Over 10,000 miles.

"Have used a Savage Tire for 2 1/4 years—have made 10,000 miles. It is still good for 2,500 more."—D. G. Durbin, El Cajon, California.

15,000 miles, still in use.

"July 12, 1915, purchased Savage Non-Skid tire. February 4, 1917, was still in use, while on opposite wheel we had worn out two other standard makes of tires—Savage has given 15,000 miles."—George & Co., Lincoln, Nebraska.

11,000 miles, Savages all round.

"Have four Savages on my car. One has gone 10,814 miles, one 7,428, one 7,419, and one 2,000. All in good condition and will get several thousand miles more from each."—D. J. Miller, Contractor, San Diego.

MOTHER AND DAUGHTER CIRCLE

At least forty mothers and daughters came out to the work-fest of the Tropic Red Cross auxiliary Thursday evening. Many willing workers are needed to prepare stock for the bazaar which the organization will hold December 13th at the City Hall, and everybody was given work and kept busy until lights were turned out at 9:30. The foreground was occupied by a group of expert comfort makers, who were tying a beautiful woolen patchwork quilt made by the mother of Mrs. E. F. Tholen and given by Mrs. Tholen to the bazaar.

An efficient matron was preparing burlap table runners and pillow covers from stock contributed by the Thursday Club. Groups of industrious knitters scattered about the room, visited as they worked, and several were sewing carpet rags for bazaar rugs.

Meanwhile, the chairmen who have the bazaar in charge were flying around trying to arrange for the details of the fourteen booths which are to offer their wares for the good of the cause.

It is reported that David Black has traded his residence on Park avenue, Tropic, for a ranch at Ontario.
